History recognition

This half term we are proud to have received the Silver History Accreditation from the History Association. The History Association Quality Mark recognises and promotes high quality history provision in schools. It is a recognised and valued award which provides a framework for success. We are thrilled with this achievement and are looking forward to securing gold in the future.

Discovering the arts

Our Year 5 pupils were visited by our Local MP Yvette Cooper and representatives from Burberry to discuss their upcoming trip to the Northern Ballet. The trip was generously funded by Burberry's Corporate Responsibility team. As part of the trip our pupils were given a fantastic opportunity to achieve an accredited certificate from the Discover Arts Award. To achieve this our pupils took part in a workshop as well as various other activities, including researching the Northern Ballet and producing questions for the lead choreographer.

Castleford Tigers Foundation - 'Read to Succeed'

This term the Castleford Tigers Foundation and 'JT' himself visited Year 5 to launch their 'Read to Succeed' programme. Over a month-long period, the children were visited by players from the team to share their love of reading. Children had the opportunity to read to players and share their thoughts and opinions on texts explored.

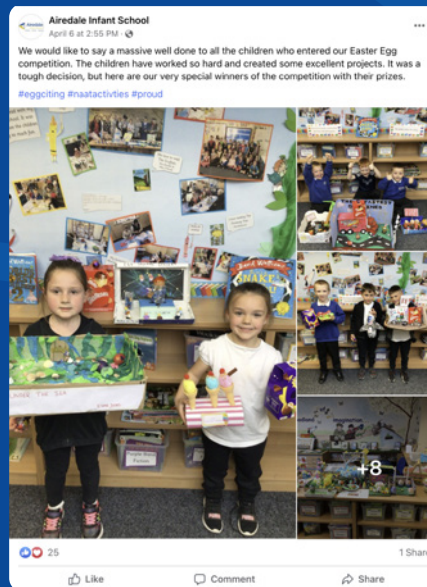

We received an eggciting delivery!

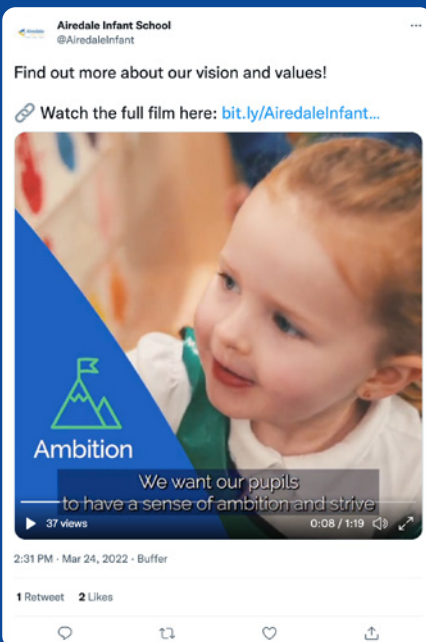

We were thrilled to welcome new life into the world!

We celebrated Safer Internet Day.

We launched our Vision and Values film.

We would like to say an enormous thank you to our Reception children, who have had a wonderful day on their Ponderosa Zoo visit. We have had an amazing time seeing and learning about all of the animals. The behaviour of all the children was impeccable and we are very proud of each and every one of them.

Very special winners!
